

The image shows a 5x4 grid table on a heavily scratched and stained piece of paper. Above the table, there is a prominent horizontal line with a jagged, irregular shape extending downwards from its left side. The paper is covered in numerous small dark specks and scratches, suggesting significant wear or damage.

This image shows a full page of graph paper. It features a uniform grid of thin black lines forming small squares across the entire surface. The paper has a slightly off-white or light gray tone and appears to have some minor texture or noise, possibly from the scanning process. There are no markings, text, or drawings on the grid.

	ILL 5510 SCHMIDT JAKE
	COOK
	

This image shows a single sheet of white graph paper with a light gray grid. The grid consists of horizontal and vertical lines forming squares. There are several small, dark, irregular marks scattered across the page, which appear to be ink smudges or dirt. A prominent mark resembling a stylized 'e' or a cursive flourish is located in the upper left quadrant. Other smaller marks, some resembling commas or short strokes, are visible near the top center and bottom right. The overall appearance is that of a clean but slightly worn piece of stationery.
